

Attention all Golfers!

One of Sikorsky Global Helicopters important values is to be a leader in our community, contributing through charitable events. This year, we are planning to hold our First Annual Eric DiLabbio Memorial Golf Tournament. We lost Eric this year in a tragic accident and would like to assist the family in honoring his memory by building a playground at a local Chester County park in his name and providing a place for our communities children to be able to spend time with their families. The event will take place on Monday, October 5, 2009 at the Coatesville Country Club, Coatesville, PA.

We invite your company to join us for what will be an exciting event and a wonderful day of gathering with Sikorsky Global Helicopters team members, vendors, and community friends.

The enclosed pledge form describes the various levels of support. The \$400/foursome fee will cover the cost of golfer's participation, meal, on-course refreshments and charitable contribution. Additional sponsorship amounts, described in the attachment, will be used for contributions toward the playground. If you would like to have a Sikorsky Global Helicopters employee join your foursome, we will ask that (a) you sponsor that employee and (b) the employee will make an additional contribution. In the event of rain, our current plan would be to continue to have the festivities and provide each foursome with vouchers that could be used to play at Coatesville Country Club, with prior date confirmation.

Registration will commence at 9:00 a.m. followed by a shotgun start at 10:30 a.m., with lunch at the course, beverages, silent auction, and prizes will follow the tournament.

In order to ensure timely play, we are limiting the field to 30 foursomes. Due to the limited space, registrants will be prioritized in the order in which their response is received.

Please be assured that your participation in this event is totally optional. Feel free to contact us with any questions. Please forward the completed form to Cass Hamby at Sikorsky Global Helicopters to reserve your spot in the event no later than September 25, 2009. A check payable to "Keystone Helicopter" for your group and any additional sponsorship would be required by this date to assure your participation in the event.

We thank you for consideration of this request, and do hope that you will participate in what promises to be a fun day for a great cause.
